Bajaj Finserv Health - The healthcare companion you can trust

An integrated health management platform that offers you a complete ecosystem from Doctors, Hospitals and labs to even insurance and Health EMI financing to ensure complete well-being at every stage of your life.

Step away from alcoholism. Move towards protecting your body.

Excessive alcohol consumption causes serious risks to the body and its vital organs. It's crucial to keep a track of your liver, kidneys, and pancreas in order to avoid the risk of developing long-term conditions like alcoholic liver disease.

Avoid the risk of heart attacks and strokes with

Check for serious
damages to your body

Assure
timely action

Prevent Urinary
tract infections

Why should one buy the Alcoholism Care Plan?

Heavy alcohol consumption often results in increased blood pressure, cholesterol levels, damage to the brain, nervous system, heart, liver and pancreas. The **Alcoholism Care package** helps you in the assessment of your body and detect any serious concerns arising as a result of your alcohol consumption.
