Asset classification – SMA & NPA

This section is with reference to the Special Mention Account (SMA) / Non-Performing Asset (NPA) in accordance with the RBI Circular - RBI/2021-2022/125 - DOR.STR.REC.68/21.04.048/2021-22 dated November 12, 2021 on '**Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications**' read along with RBI '**Master Circular - Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances**' dated October 1, 2021 and amendments or further clarifications thereto.

The Borrower's loan account shall be classified as Special Mention Account (SMA) and Non-Performing Asset (NPA) as per below concepts / clarifications / illustrative examples on due dates and SMA Specification / NPA Classification Dates:

What are Dues?

Dues mean the principal/ interest/ any charges levied on the Credit Card account which are payable within the period stipulated as per the terms of sanction of the credit facility.

What is Overdue?

Overdue means the principal/ interest/ any charges levied on the Credit Card account which are payable but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the Bank under any credit facility is '**overdue**' if it is not paid on the due date fixed by the bank.

Appropriation Principle for recovery in NPA Accounts (for Credit Card accounts)

The Principle of FIFO i.e., 'First In, First Out' accounting method is relevant to arrive at the No. of days of overdue for determining the SMA / NPA status. The FIFO principle assumes that the oldest outstanding dues in the loan account needs to be cleared first. The FIFO method thus requires that what is due first must be paid by the borrower first.

For example:

Statement Date	Payment due date	Total Outstanding	Minimum amount dues
12-Feb-22	04-Mar-22	10000	500
12-Mar-22	01-Apr-22	11000	550

If in any Credit Card account statement as on 12.02.2022, total amount due is INR 10,000 and minimum due of INR 500 for payment towards principal instalment/interest/charges. Any payment lesser than the minimum amount due on or before 04.03.2022 will be credited in the Credit Card account, to pay-off the minimum dues outstanding on 12.02.2022.

Assuming that customer made partial payment of INR 100 on the payment due date i.e., 04.03.2022, the payment will be apportioned against the minimum due of 12.02.2022 i.e., INR 500. Basis the payment,

INR 400 will be overdue in the next statement i.e., 12.03.2022, with a minimum due of INR 550 plus INR 400 of previous month due.

Assuming if the customer made payment of INR 600, this will be first utilized to pay-off the partial minimum due of 12.02.2022 (INR 400). Additional recovery of INR 200 will be apportioned towards minimum due for the statement generated as of 12.03.2021.

Age of oldest Dues (or Days-Past-Due - DPD): The age of oldest dues is reckoned in days from the date on which the oldest payment is due and continues to remain unpaid. In the aforesaid illustration, if the dues relating to 12th February 2022 remain unpaid till 04.03.2022, the age of the oldest dues is reckoned as 21 days on 04.03.2022.

What is NPA?

A Non-Performing Asset (NPA) is a where interest and/ or instalment of principal remains overdue for a period of more than 90 days from the payment due date, in respect of a Credit Card outstanding,

In case of interest payments in respect of Credit Cards, an account will be classified as NPA if the interest applied at specified rests remains overdue for more than 90 days.

What is SMA?

A special mention accounts (SMA) is a asset/account in which principal or interest payment, or both are overdue but for a period of less than or equal to 90 days.

SMA is more of a precautionary measure to recognize a financial stress early and therefore to take corrective action to contain that stress and prevent an account from turning into NPA.

Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

Bank is required to recognize the incipient stress in loan accounts, immediately on default, by classifying the loan accounts as Special Mention Accounts (SMA). The basis of classification of SMA /NPA Category shall be as follows:

Loans in the nature of Credit Cards	
SMA Sub-categories	Basis for classification - Principal or interest payment or any other amount wholly or partly overdue
SMA-0	Upto 30 days
SMA-1	More than 30 days and upto 60 days
SMA-2	More than 60 days and upto 90 days

Illustrative movement of an account to SMA category to NPA category based on non-payment of dues at day-end process*:

If due date of a Credit Card is March 31, 2022, and full dues are not received before the day-end process* for this date, the date of overdue shall be March 31, 2022.
