4. Manner of Execution/ Selection of Implementation Agencies

Where CSR activities are undertaken through implementing agencies, eligible agencies as defined in sub-rule (1) of rule 4 of Amended CSR rules will be appointed for each of the projects/programmes taken up by the company. These will be appointed as per the responsibilities / functions set out in Para III(B) of the CSR Policy of the company for the board of directors, CSR committee, CSR steering committee, CSR team and CSR vehicle.

Given the strong Gandhian legacy of the Bajaj group, the Company prefers to support community-based Societies/Trusts with strong credentials. These are selected after a detailed review of proposals submitted online by potential implementing agencies. The agencies undergo a document review, field visit (physical or virtual), and interaction with Trustees and senior functionaries. A review by Senior Bajaj Management (CSR Steering Committee) would be conducted prior to the review by CSR Committee.

With regard to the on-going projects as on 31 March 2021, the Implementation agency details are provided in Column 11 and 12 of Table 2. CSR registration numbers are not mandatory for ongoing projects.

5. Modalities of utilisation of funds and implementation schedules for the projects

All CSR implementing agencies have prepared project specific Annual Action Plans. These are developed using a “Logical Framework” approach. These plans are linked to periodic budgets and are a part of the formal MOU entered between BAL and the Implementation Partner. Disbursements to each implementing agency are linked to planned activities and fund utilization.

6. Monitoring and reporting mechanism

Monitoring and reporting mechanism for the projects or programmes will be in accordance with:

- the requirements contained in the Companies Act, 2013 read with CSR Rules
- the CSR Policy of the company and
- other guidance issued as may be recommended / approved by the CSR Committee/Board from time to time.

As per the existing CSR process followed by Bajaj Companies review meetings and field visits are made by members of the CSR team at specified periods. Also detailed financial audits are undertaken by an independent auditor. Two CSR team reviews are scheduled for the ongoing projects.

This is in addition to the mandated Impact Assessments (detailed in annexure 1 - linked to point # 7).

7. Need and Impact Assessment

The company undertakes 3rd party impact assessments to meet two major objectives:

- a) Compliance with Impact Assessment requirements contained in the Companies Act, 2013 read with CSR Rules, and
- b) Provision of assurance to the Board that the CSR funds have been utilized for the purpose specified by the Board.

Since the company has average CSR obligation of Rs.10 crore or more in pursuance of section 135(5), in the three immediately preceding financial years, it will **undertake impact assessment through an independent agency** of its CSR projects having outlays of Rs.1 crore or more and **which have been completed not less than one year before undertaking the impact study.**

The impact assessment reports in compliance with objective (a) shall be placed before the board and shall be annexed to the annual report on CSR.

In addition to the above, additional projects (specially projects below the threshold of Rs 1 Cr) will be selected for impact assessment and/or mid-term assessment. These will be reviewed at Steering Committee level and summary of the outcomes shall be placed before the board.

- No additional **Need assessments** are proposed in the FY 21-22. A detailed third party Need Assessment exercise was conducted covering 5 core districts in FY 19-20. In addition major projects (specially related to water conservation or agriculture) require preparation of a Detailed Project Report, that includes a Needs Assessment also.
- A detailed Impact assessment plan, including both mandatory and optional assessment is placed separated before the Board CSR committee. The plan is attached as an annexure 1.

8. General Note:

The board may alter the aforesaid Annual Action Plan at any time during the financial year as per the recommendation of the CSR committee, based on reasonable justification to that effect.
