## About Bajaj Finserv Health

**Bajaj Finserv Health** is a health management platform that aspires to be an enabler in the healthcare ecosystem by creating a network of service providers and using the latest technologies to improve the health of consumers.

We have integrated the health ecosystem from doctors to service providers like hospitals and labs and insurance to Health EMI financing.

## Introduction to Fracture Care Essential

Fracture Care Essential is a personalized plan which covers your lifestyle related health expenses and it is hassle-free. It offers benefits on doctor consultation benefits, lab and Radiology wallet, health and self-care benefits and network discounts all worth ₹ 2500 in ₹ 999

### Common Causes of Fracture

Elderly

People Suffering from Arthritis

Athletic Lifestyle

## Why should one get the fracture care essential?

With increasing age, bones become weak and brittle. Under such circumstances, a minor fall may be enough to cause fractures that may cause pain and limit body movement. It is therefore advised that you be prepared with a suitable health plan that counters fracture related problems without any hassles.
