

Bajaj Finserv Health Benefits and Claim Process

During every policy year, customer will be eligible for a designated health package as per the plan selected by the customer from the bouquet of benefits

Benefit Description and Terms of Use:

1.OPD/Doctor Consultation Benefit

Doctor consultation benefit refers to consultation with a doctor with a minimum degree of MBBS, BDS, BAMS, or BHMS upto the benefit amount. In case any specific doctor speciality is offered in the plan, you can only consult with doctor of that specific speciality. In case no speciality is mentioned you can consult any doctor of your choice. Here are some of the benefits that you can avail.

- Consult with a doctor of your choice upto the benefit amount subject to a minimum degree of MBBS, BDS, BAMS, and BHMS (allopathic, dental, homeopathic, and ayurvedic dental) subject to the doctor speciality offered in the plan and submit the invoice for reimbursement. The invoice should clearly state doctor consultation fees, doctor name and speciality, doctor registration number, date of consultation, doctor stamp, and customer details for reimbursement.
- This benefit can be availed by all members listed under the policy
- The benefit amount can be claimed in a single visit or spread over multiple visits for doctor consultations to the extent of the value of benefits

2.Lab and Radiology Benefit:

Lab and radiology benefit refers to the utilization of any pathology or radiology tests upto the benefit amount. Here are the benefits you can avail:

- Take any pathology or radiology test of choice from any lab and radiology center and get it reimbursed upto the benefit amount. Lab or Radiology invoice with the amount, consumption date and stamp should be clearly visible on the uploaded invoice for approval
- This benefit can be availed by all members listed under the policy
- The benefit amount can be claimed in a single visit or spread over multiple visits for doctor consultations to the extent of the value of benefits

3.Tele-consultation Benefit:

Consult with any doctor of choice listed on the Bajaj Finserv Health platform via video, audio, or chat channel.

- Teleconsultation with doctor of choice listed on the Bajaj Finserv Health platform subject to speciality & frequency of consultation mentioned in the offered plan.
- This benefit can be availed by all members listed under the policy

4. Lab Test Package (Pre-defined):

It consists of a pre-defined set of tests aimed to identify and minimize risk factors in addition to detecting illnesses at an early stage.

- a) Every policy year you will have the option to undergo checkup for a pre defined lab test package. It will be dependent on the plan chosen by the customer
- b) Only the adults under the policy are eligible to take the health care tests. The tests will only be available at Bajaj Finserv Health Prime partner hospitals and labs which are getting updated on a regular basis.
