## About Bajaj Finserv Health

Bajaj Finserv Health is a health management platform that aspires to be an enabler in the healthcare ecosystem by creating a network of service providers and using the latest technologies to improve the health of consumers.

We have integrated the health ecosystem from doctors to service providers like hospitals & labs and insurance to Health EMI financing.

## Introduction to Senior Citizen Care Essential Plan

Senior citizens are more susceptible to illnesses and health disorders. Treatment for some illnesses can get out of hand and drain your savings. Most old people suffer from critical conditions that need extra medical attention and expensive treatment. Bajaj Finserv Health introduces Senior Citizen Care, a healthcare plan to monitor and regulate the health of senior citizens and ensure a smooth lifestyle.

### Common Problems Faced By Senior Citizens

Mental Issues

Respiratory Issues

Bone Weakness

Fatigue

# Why should one buy Senior Citizen Care Essential Plan?

With increasing age comes the risk of contracting ailments and falling sick. Since the later years of our lives are physically more challenging and monetarily less sound, having a health package to take care of medical emergencies is a clever move. This package essentially offers a wide range of benefits such as lab test package, teleconsultation benefit and network discounts across 3500+ labs and hospitals to manage health of senior citizens and associated challenges.
