PRATIPACHARYA MUMBAI, DECEMBER 29

IN ITS continued action against contractors and firms flouting air pollution mitigation norms, the Brihanmumbai Municipal Corporation (BMC) on Friday imposed a penalty of Rs 2 lakh on two contractors conducting road and infrastructure work in south Mumbai.

The two contractors, ME Infra and NC enterprise, were involved in BMC's road concretisation project.

Sudhakar Shinde, additional municipal commissioner, told The Indian Express on Friday

that the BMC also issued showcause notices to Megha Engineering and Infrastructure Limited (MEIL) and J Kumar Infraprojects, who are contractors for the Bullet Train and Mumbai Metro project, for not adhering to dust mitigation

MUMBAI, DECEMBER 29 THE BRIHANMUMBAI

Municipal Corporation (BMC) has written to the Collector's office in island city asking it to demolish the illegal structures that have been recently built in the Dharavi area of south central Mumbai.

EXPRESS NEWS SERVICE

The state government earlier this year had announced the Dharavi Redevelopment Project (DRP), under which 68,000 people including slum dwellers and those with commercial establishments would be relocated.

Under the DRP programme, any beneficiary who have settled in Dharavi before January 1, 2000, would get 300 square feet houses, while those settled between 2000 and 2011 will have to purchase the houses in exchange of a uniform rate.

However, local authorities from the BMC have said that over the past year several illegal entities have started to come up in Dharavi. The officials have also suspected that many of these structures are being built to stake claim on the houses that the government is set to allot as per the DRP.

While BMC doesn't have the authorisation to demolish these structures, however officials maintained that stop work notices are being issued.

"We have written to the collector's office to take immediate action by demolishing these structures. We have also asked them to verify the documents of some of these structures that has been built very recently to check the authorisation of these properties," said a civic official.

The officials maintained that the larger part of this land parce where the redevelopment proj ect is set to take place is owned by the collector, therefore the BMC doesn't have direct author ity to take action.

"We have also told them that if you need manpower then the BMC is ready to provide, also if the collector's office is ready to give us in writing then we are ready to take action." the official said.

Earlier this month or December 4, the local civic ward office had also written to the land acquisition officer I'm district collector's office urging im mediate action on unauthorised construction.

Civic officials said that over the past few weeks several stop work notices were issued to multiple illegal structures that are being built in that area.

BATTLEGROUND MUMBAI Maratha, OBC outfits plan rally on Jan 20

EXPRESS NEWS SERVICE MUMBAI, DECEMBER 29

MUMBAI WILL likely turn into a quota battleground on January 20 next year with both the Maratha and Other Backward Class (OBC) communities announcing rallies in the city on the day. Maratha activist Manoi

Jarange-Patil decided to move his reservation protest to Mumbai by convening a mammoth rally in the city. On Friday, a Maratha delegation landed in Mumbai to shortlist the venue and held a meeting with Mumbai-based Maratha Kranti Morcha coordinators to finalise plans

While the Maratha outfits formally sought police permission to hold the rally, the venue is yet to be finalised with Shivaji Park, Bandra Kurla Complex and Azad Maidan being the contenders.

"The state government should come out with a formula to resolve the reservation issue. We want Maratha reservation within the OBC category," Jarange-Patil reiterated on Friday.

To counter the Marathas, OBC outfits in Maharashtra are planning protests across the state, including Mumbai. On Friday, the OBC Jan Morcha sought police permission to hold a rally in Mumbai on January 20.

With Jarange-Patil's December 24 deadline for Maratha reservation having lapsed, the state government sought more time, arguing the process was underway. "The state government is doing everything possible to ensure Maratha reservation," Chief Minister

'Murder' of MBBS student: Court rejects accused lifeguard's bail petition

EXPRESS NEWS SERVICE MUMBAI, DECEMBER 29

A SESSIONS court on Friday rejected the bail application of a 32year-old man booked for the alleged murder of MBBS student Sadiccha Sane in November 2021. Mithu Singh, who worked as a lifeguard, was arrested on January 13 this year on charges including murder, after Sane disappeared on November 29, 2021, but was alleged to have been last seen with him. Her body was not found.

Singh had filed for bail stating that there was no evidence to link him to Sane's disappearance. He claimed that there was no motive shown or any witnesses cited to show that he had committed the murder. It was also submitted that a day after her appearance, the police had detained Singh and subjected him to assault to get him to confess to the crime. He had de-

nied any involvement. The police claimed that Singh was last seen with Sane in the intervening night of November 29, 2021 and November 30, 2021,

When she did not return home, her family filed a missing person complaint. Police said their investigation showed that Sane was last seen at reclamation in the company of Singh.

Singh had made advances at Sane, and alleged that in a scuffle which followed, she suffered injuries to her head, whereupon later her body was disposed of. After two missed deadlines, MTHL cost escalates by Rs 2,192 crore

EXPRESS NEWS SERVICE MUMBAI, DECEMBER 29

THE MUMBAI Trans Harbour Link(MTHL) project, which is expected to be inaugurated early next year, has seen a cost escalation of Rs 2,192 crore or 14.9 per cent, according to information obtained through a Right to Information (RTI) query by activist Anil Galgali.

The original cost of Rs 14,712.70 crore has now increased to Rs 16,904.43 crore, the RTI reply stated.

Originally slated for completion on September 22, 2022, the project faced setbacks due to the Covid-induced lockdowns, leading to two extensions – first to September 22, 2023 and then to December 15, 2023, both unmet. Officials now target an opening in early 2024 for the sea bridge.

Despite two missed deadlines no penalties have been imposed on the contractors for the project delays, as per RTI information.

The sealink, once opened to the public, will reduce the travel time bringing Mumbai and Navi Mumbai closer. It has been named as Atal Bihari Vajpayee Sewri-Nhava Sheva Atal Setu.

Mumbai girl swims 36 km from Sea Link to Gateway

NAYONIKA BOSE MUMBAI, DECEMBER 29

WITH THE aim of raising awareness about the burgeoning pollution levels in the ocean, city girl, Hazel Raikundalia, braved the seas and swam a distance of 36 km from the Bandra-Worli Sea Link to the Gateway of India on Friday. Under the banner of 'Swim for Sea', the 18-year-old achieved the feat in a span of 7 hr 5 minutes.

Despite being a coastal city with the Arabian sea flanking it to the west, Mumbai is not a popular swimming destination amongst open sea swimmers due to its prominent sea pollution.

Seeking to draw attention towards the dangers posed by pollution to the underwater ecology and the pressing need for marine conservation. Hazel - a first year MBBS student, decided to set forth on her mission and launch the campaign 'Swim for Sea'.

Three sculptures in contest for selection as Ram Lalla idol ready

MAULSHREE SETH AYODHYA, DECEMBER 29

THE THREE sculptures from which the final selection will be made for the idol of 5-year-old Ram Lalla to be placed inside the "garbhagriha" (shrine's innermost sanctuary) of the Ram Temple in Ayodhya are ready, members of the Shri Ram Janmabhoomi Teerth Kshetra Trust said on Friday

The idols have been carved from stone by three sculptors who worked on them near the temple premises for nearly seven months.

On the eve of Prime Minister Narendra Modi's visit to Ayodhya, the Trust members on Friday inspected the idols and conveyed their suggestions to Trust secretary Champat Rai and treasurer Govind Giri Maharai who will take the final decision.

While making the suggestions, the trustees were asked to go into the intricacies and other fine details in the sculpting process, sources said.

The three sculptors working on the idol designs are Ganesh Bhatt and Arun Yogiraj from Karnataka and Satyanarayan Pandey from Jaipur in Rajasthan. Bhatt is said to be working on "black-greyish Nellikari rock" (shyam shilla) extracted from Karnataka, Yogiraj on a "white grey" semigranite rock, while Pandey worked on the famous white Makrana marble stone

"It will be a standing statue that will be 51 inches in height. The trust members were called today to check the idols," said a senior member of the Trust.

made of metal which has been worshipped for decades will be used for performing puja rituals while the new one will remain stationary, sources said. "A decision is also to be taken

on the remaining two idols as to whether they will be donated or placed somewhere else. According to the tradition, more than one idol

of the same deity is not placed usually in a temple," said an expert involved in the project.

The sculptors

Bengaluru-based Ganesh Bhatt is an award-winning sculptor whose idols have been placed not just across the country but also abroad. He is a disciple of Devalakunda Vaidiraj, a famous sculptor, it is learnt.

Arun Yogiraj comes from a family of famous sculptors of Mysuru (Karnataka) for five generations some of whom worked

for the Mysore royal family. He is known for having carved a 30foot statue of Subhas Chandra Bose, which is placed in the canopy behind Amar Jawan Jyoti near India Gate in New Delhi, and a 12-foot tall statue of Adi Shankaracharya in Uttarakhand's Kedarnath.

His work has also been appreciated by Prime Minister Narendra Modi.

Satyanarayan Pandey also comes from a family of sculptors and has carved idols for ISKCON and Birla temples in the past.

Ram Rahim seeks takedown of clip by journalist, Delhi HC issues notice

EXPRESS NEWS SERVICE NEW DELHI, DECEMBER 29

THE DELHI High Court on Friday issued notice on a plea by Dera Sacha Sauda chief Gurmeet Ram Rahim Singh seeking directions for the taking down of a video posted by journalist and YouTuber Shyam Meera Singh about the former.

A single-judge bench of Justice Shalinder Kaur issued notice to the defendants, Shyam Meera Singh and YouTube, and listed the matter for hearing on Saturday. The court said that notice be served through email and WhatsApp. The counsel appearing for the Dera Chief said the lawsuit has been filed with respect to a video uploaded on December 17. The video on YouTube is titled

"How Gurmeet Ram Rahim fooled his bhakts?". The counsel said a legal notice was sent by his client on December 21 to YouTube and Shyam Meera Singh who uploaded the video. He submitted that the video is "clearly derogatory, disparaging and denigrating". "He (Shyam Meera Singh) is a habitual offender... After we put him to notice, he puts out a re-

to delete these videos'. Totally defiant. He has been accused by the UP administration also for having insulted the CM. An FIR came to UP resident," the counsel said.

The counsel pointed to a report by The Indian Express titled 'Journalist booked for 'insulting' UP CM on Twitter'. As per the report, police registered an FIR against Singh for his "objectionable tweet" against the UP CM.

Pune authority speeds up Rs 333-cr glass skywalk project

AJAY JADHAV PUNE, DECEMBER 29

TO DEVELOP Lonavala as a world-class tourist destination, the Pune Metropolitan Region Development Authority (PMRDA) has taken up an ambitious project worth Rs 333.56 crore to construct a 125-metre long glass skywalk to connect the hill station with two popular tourist spots — Lions Point and Tiger Point.

"A decision was taken to speed up the land acquisition process for the project after it was approved by a high-power committee. The forest department and revenue department are working on it while the PMRDA has undertaken the work of preparing a detailed project report of constructing a glass skywalk near Lonavala. This will boost tourism in the area," said Ramdas Jagtap, a spokesperson of PMRDA.

Jagtap said the work on the project will start as soon as the land is acquired and that it would be completed in 30 months. Maval MLA Sunil Shelke proposed the skywalk project at a location 15km away from Lonavala.

"The forest department, which has jurisdiction over the area where the skywalk project has been proposed. has given the approval for the project to be implemented on 15 hectares of

tourism department.

Deputy Chief Minister Ajit Pawar, who is also the Guardian Minister of Pune, approved the project in the district planning committee in November. The project was approved by a high

-power committee for financial affairs of the state government a few days ago. The project includes the construction of a 6m wide and 90m long bridge

125-metre long and 6m wide skywalk. Facilities for adventure sports such as zip lining and bungee jumping, an amphitheatre for 1,000 people, 24 gazebos, and a parking space for 1,500 cars and 2.000 two-wheelers will also be constructed as part of the project. The PM-RDA will also widen the roads towards both tourist points.

The Lions Point and Tiger Point are popular tourist destinations, which attract around 10.000 visitors on weekends and at least 2,000 on weekdays.
