Gokhale Bridge closed: Chaos, confusion on Day 1

ADITYA POONIA & JAYPRAKASH S NAIDU MUMBAI. NOVEMBER 7

THE FIRST day of closure of the Gokhale Bridge, which connects Andheri(east) and Andheri(west), on Monday led to heavy traffic snarls in the western suburbs with motorists complaining of inconvenience and traffic police having to increase manpower to deal with the chaotic situation.

Around 11 am, a heavy flow of traffic was seen on the Andheri subway and Amboli junction in the jurisdiction of DN Nagar traffic police division in Andheri (west). The south-bound stretch of S V Road saw heavy traffic in Andheri. Similar heavy traffic was seen in the evening peak hours from 4 pm to 9 pm, said police sources.

In a bid to create more space for the crawling traffic, the BMC removed over 100 hawkers on SV road from morning till afternoon. In Santacruz division, Milan subway, and Thakare bridge saw heavy traffic. Captain Vinayak Gore flyover in Vile Parle, which connects east to west, as well as the Vile Parle junction from Andheri to Centaur Hotel on the western express highway, saw a heavy load of traffic.

'Alternate route inconvenient'

Though a signboard on the barricading of Gokhale Bridge suggests five alternate routes, citizens find the detour inconvenient. Rehan Sherkhan, a resident of Andheri (W), seemed confused about the

closure of the bridge. "I needed to go to the two-wheeler mechanic at the end of the bridge but now with the barricading it is a very long way around," said Rehan, who works in the Information Technology (IT) sector. He did not seem to know

about the closure of the bridge until he came to the foot of the bridge. Another resident of Andheri (W), Sandesh More, who works as a

delivery executive for a tailor, said, "I take the rickshaw across the Gokhale Bridge while making my deliveries. Now, with the Vile Parle route congested, crossing the bridge on foot is the most convenient." Pedestrians have been taking the connector between east and west by foot. However, there seems to be no space for pedestrians to conveniently enter or exit the bridge.

Rickshaw driver Indraiit Yadav told The Indian Express that he has seen an increase in traffic all over Andheri. A resident of Andheri (E) himself, Yadav said, "My livelihood has taken a hit as a bulk of my passengers were between Andheri east and west. Now that the route is not being frequented, my earning has dropped." He said he will now be taking the Vile Parle bridge though he knows it would be overcrowded.

Like many others during the day, Sushil Singh also did not know of the bridge's closure until he came to its foot. Working as a delivery executive, Singh said, "The closure of the bridge is going to cause longer delays and detours which will only mean late deliveries." Travelling on his cycle, Singh was also unsure

which alternate path to take. A traffic police officer near the Andheri railway station said on the condition of anonymity, "The alternate subways and bridges are narrow, causing the traffic to slow down.'

Traffic police seek wardens

Several traffic police officials told The Indian Express that they doubled to tripled the number of policemen at the alternate routes to manage the heavy flow of traffic. A stop-gap arrangement has been made by shifting manpower internally. This has been provided to traffic divisions (Vakola, Santacruz, Oshiwara, DN Nagar, Goregaon, Jogeshwari) around the Gokhale bridge from other traffic divisions in central and eastern parts of Mumbai. A traffic source said, "It is get-

ting difficult to manage the traffic. The railways and the BMC need to speed up the work of Gokhale bridge and finish at least one side within two months. This will provide some relief."

Traffic police sources also added that they need some manpower from the Mumbai Police and have requested the BMC to provide them with 200 traffic wardens to help ease the traffic during peak hours.

Confirming the development of the request for traffic wardens, P Velrasu, additional municipal commissioner(Projects), BMC, said, "Yes. We usually provide these persons to divert and manage the traffic when additional manpower is needed." WITH INPUTS FROM PRATIP ACHARYA

'Expedite work': Citizens file online plea

PRATIP ACHARYA

MUMBAI, NOVEMBER 7

MANY RESIDENTS have initiated an online petition, urging the railway and civic authorities to expedite the ongoing repair and reconstruction work along the Gopal Krishna Gokhale Bridge in Andheri and complete it at the earliest, after the bridge was shut down on Monday.

The traffic on the bridge is likely to start ahead of the 2023 monsoon.

The Lokhandwala Oshiwara Citizen's Association (LOCA) launched an online signature campaign on Sunday (November 6) evening and till Monday (November 7) afternoon, and nearly 1.798 residents from Andheri and Lokhandwala have signed the petition for expediting the work.

Dhaval Shah, a petitioner and cofounder of LOCA. said that more than 8,000 people have viewed the petition and 612 people have shared it across various platforms in the past 24 hours.

The primary objective of the petition

is to ensure that the authorities understand the importance of the project. Andheri is an education and commercial hub in the western suburbs, and there are dozens of schools and junior colleges, as well as industrial sectors. As the bridge has been shut, school buses will have to take a different route some two to five kilometres away. There is no nearby bridge that permits heavy vehicles... BMC needs to complete the bridge on war-footing so that vehicular movement could start there ahead of 2023 monsoon, otherwise commuting would be difficult as the suggested alternative routes like Andheri Subway and Milan Subway get severely waterlogged every monsoon,"

Shah said on Monday. Another citizen's group from Andheri (East), meanwhile, has written to the Municipal Commissioner, urging him to propose the railway authorities to at least allow the south-bound railway footbridge at Andheri railway station accessible to school and college goers. Residents will not be allowed to use the railway foot-

bridge without a valid ticket. "Also, the

tender for the reconstruction of the Gokhale Bridge will be provided with a hefty bonus for the completion of the construction of the bridge within the next six months," said Nicholas Almeida, a member of Watchdo

AN 18-YEAR-OLD college student who had suffered 65 per cent burn injuries during Diwali celebrations on October 24, after her dupatta (stole) came in contact with an oil lamp and caught fire at her Khar residence, has succumbed to her injuries.

Khar police said Nidhi Makhwana died on November 5 due to infection and pneumonia. Around 8.30 pm on Diwali day, she was looking out of the window in the apartment gallery when her dupatta caught fire from an oil lamp. Her mother and uncle rushed her to the bathroom and doused the fire. But her injuries were of a serious nature because her stole was made of terrycloth. She was rushed to a Bandra hospital before being shifted to Kasturba hospital. In her statement to the police. Makhwana said her dress accidentally caught fire. Hospital authorities told the police she suffered injuries to her legs and back. A case of accidental death has been registered by Khar police.

Preparing meals for over 10,000-12,000 people walking with Rahul Gandhi in Bharat Jodo Yatra is a task that needs special efforts. Uddhav Thackeray have been facing since they broke away, leading to the collapse of the Maha Vikas Aghadi government.

"An extremely crass and shameful statement on Mrs Supriya Sule by Maharashtra minister Abdul Sattar. This is an insult to all women and shows his cheap mindset. Abdul Sattar and his likes should stop testing our patience because we know how to protect the dignity of our women," NCP spokesperson Clyde Crasto said.

The party demanded that CM Eknath Shinde sack Sattar from his Cabinet within 24 hours or face a statewide agitation. It also wrote to the local police, demanding an FIR against Sattar. NCP state president and former

EXPRESSNEWSSERVICE MUMBAI, NOVEMBER 7

THE MAHARASHTRA government has rejected an inquiry report filed by former DGP Sanjay Pandey against IPS officer Deven Bharti in connection with allegations made by convicted criminal Vijay Palande against Bharti.

Sanjay Pandey had been asked to conduct an inquiry by the Maha Vikas Aghadi government following which he had submitted two reports. An official from the home department said the closure report says there was no merit found in the allegations made by Palande and that the process of law had not been followed in ordering the inquiry.

Hence, the reports by Pandey were rejected. The submission by Bharti denying the allegations against him was accepted by the department.

BMC to empanel agencies to hold online exams for vacant posts

TRISHALUTHRIA MUMBAI, NOVEMBER 7

FOR EASE and transparency during hiring to fill vacancies, the Brihanmumbai Municipal Corporation (BMC) will empanel agencies for conducting various competitive online examinations. Recently it floated tenders to invite these agencies with their proposals.

Miliand Sawant, joint municipal commissioner incharge of the General Administration Department in BMC said, "The tender is for empanelling the agencies. Once such empanelment happens, every department can take agencies from this set and give work orders." BMC's move follows a government resolution of May 2022 describing the criteria based on which such recruitment agencies can be appointed. The agencies will be responsible for end-toend organisation of these online examinations such as collection of applications and examination fees. They will also be the ones issuing admit cards, preparation of the question bank software for reshuffling, making question sets and conducting online computer-based examinations.

In the general administration department alone, 1,800 positions of clerks are vacant, according to Sawant. As per Sainath Rajadyaksha, who heads the BMC engineers' workers union, 35 per cent posts are vacant at the engineers' levels.
