1. PURPOSE

1. As a part of our commitment to implement best practices on Corporate Governance, Bajaj Finance Limited has created a “Whistle Blower Policy” thereby providing a secured framework, which a person can use to share his/her views along with factual details, observations and objections with regards to unacceptable work behavior, management practices, business practices, physiologically adverse work conditions, and other such activities of reasonably negative nature which may be seen to tarnish the image of the organization, its products, its social image, employee morale and employee’s safety at the workplace including but not limited to violation of integrity norms like leak or suspected leak of Unpublished Price Sensitive Information under the SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time.
2. All employees are expected to display highest levels of integrity in their behavioral conduct, including honesty & professionalism in their business dealings. However, there may be certain instances when the conduct displayed by a fellow colleague including their professional dealings may not be in the best interest of the organization; such instances include malpractices, deliberate violation and /or disregard for organization policies, inappropriate use / embezzlement of funds, biased behavior with respect to vendors / suppliers and service providers, compromise in client suitability & assessment etc., and such other activities which may adversely impact the rights of employees of the Organization and/or tarnish the image and reputation of the Organization, its products and services.
3. Directors, BFL employees, Business/Vendor Partners, their employees or any other person including contractors, subcontractors, consultants, and any other third parties are hereafter collectively referred as “Person(s)”.
4. A “Whistle blower” is a person, who, in the interest of the organization, discloses such information about malpractices he/she may have observed or have information about. The Whistle Blower policy encourages such a person to raise his/her concern along with verifiable factual details, without any fear of retribution or vengeance, if he / she has reasonable grounds to believe that the “malpractices” observed are likely to be detrimental to the interest of the organization.

2. SCOPE & APPLICABILITY

This policy is applicable to all Directors and employees of Bajaj Finance Limited across all levels and bands, including other category of Person(s) referred above.
